Source: Indiana Department of Workforce Development, August 2018.

Data represent all active applicants in the Indiana Career Connect system (www.indianacareerconnect.com) from August 1, 2016 – July 31, 2018 for the Indianapolis Regional Labor Shed, which is composed of the following counties:

Bartholomew Boone Brown Clinton Decatur Delaware Grant Greene Hamilton
 Hancock Hendricks Henry Howard Jackson Johnson Lawrence Madison Marion
 Monroe Montgomery Morgan Owen Putnam Rush Shelby Tippecanoe Tipton

Note that these data do not include applicants from private job matching services like Craig’s List, Monster and CareerBuilder. Therefore, the data are likely to under-represent the total available application pool in the labor shed.

Note that data are reported by target occupation. Some applicants have indicated more than one target occupation. This means that some occupations that require similar skills may be subject to “double counting” of applicants when added together.
