

Manufacturing-Related Programs

Program	Degrees Offered	Colleges and Universities
Engineering		
Chemical Engineering	Bachelor to PhD	Rose-Hulman, Purdue University
Computer Engineering	Bachelor to PhD	Franklin College, Indiana Tech, Taylor University, University of Indianapolis
Electrical and Computer Engineering	Master	Indiana University-Purdue University Indianapolis (IUPUI)
Electrical Engineering	Bachelor to PhD	IUPUI, Purdue University, Rose-Hulman, Franklin University, Indiana Tech, University of Indianapolis
Electronics Engineering	Associate	Lincoln College of Technology
Electronic Systems Engineering	Associate	Lincoln College of Technology
Engineering, General	Bachelor, Master	Butler University
Engineering Management	Master	Rose-Hulman, Indiana Tech
Engineering Science	Associate, Bachelor	Manchester College
Industrial & Manufacturing Engineering	Associate, Bachelor	Indiana Tech
Industrial Engineering	Bachelor to PhD	Purdue University, Indiana State University
Interdisciplinary Engineering	Bachelor	Purdue University
Materials Engineering	Bachelor, Master	Purdue University
Mechanical Engineering	Bachelor to PhD	Franklin College, Indiana Tech, University of Indianapolis, Purdue University, Rose-Hulman, IUPUI, University of Indianapolis, Indiana State University
Multidisciplinary Engineering	Bachelor	Purdue University
Industrial & Systems Engineering	Bachelor	University of Indianapolis
Engineering Technology		
Automation & Control Engineering Technology	Bachelor	Indiana State University
Computer Engineering Technology	Associate, Bachelor	Indiana State University
Electrical and Computer Engineering Technology	Bachelor	Purdue University
Electrical Engineering Technology	Associate, Bachelor	Ivy Tech, Purdue University, IUPUI
Electronics Engineering Technology	Bachelor	Indiana State University
Engineering Technology	Associate	Ivy Tech
Manufacturing Engineering Technology	Associate, Bachelor	Purdue University, Ball State University
Mechanical Engineering Technology	Associate, Bachelor	Ivy Tech, Purdue University, Ball State, IUPUI, Indiana State University
Packaging Engineering Technology	Bachelor	Indiana State University

Manufacturing-Related Programs

Program	Degrees Offered	Colleges and Universities
Industrial Design		
Industrial (Consumer Product) Design	Bachelor	Purdue University
Industrial Quality and Safety		
Safety Management	Bachelor to PhD	Indiana State University, Indiana University-Bloomington
Industrial Programs, Other		
Industrial Management	Bachelor	Purdue University
Industrial Technology	Associate to PhD	Ivy Tech, Purdue University, Ball State University
Manufacturing		
Advanced Manufacturing	Associate, Bachelor	Ivy Tech
Advanced Manufacturing Management	Certificate, Bachelor	Indiana State University
Manufacturing Production and Operations	Associate	Ivy Tech
Welding	Certificate	Ivy Tech
Supply Chain Management and Logistics		
Global Supply Chain Management	Master	Indiana University-Bloomington
Industrial Distribution	Bachelor	Purdue University
Operations and Supply Chain Management	Bachelor	Franklin University, University of Indianapolis
Operations Management and Analysis	Bachelor to PhD	Ball State University, Indiana University-Bloomington, Indiana State University
Supply Chain and Operations	Master	Indiana University-Bloomington
Supply Chain Management	Bachelor	Indiana University-Bloomington, IUPUI
Technology and Manufacturing, Other		
Computer Science—Machine Intelligence	Bachelor	Purdue University
Electronics and Computer Technology	Associate	Ivy Tech
Machine Tool Technology	Associate	Ivy Tech
Robotics	Certificate	Rose-Hulman
Technology Management	Bachelor	Indiana State University
Automation and Control Engineering	Bachelor	Indiana State University
Technology	Bachelor, Master	IUPUI
