Wednesday, September 11, 2019
7:30am Continental Breakfast & Networking
8:00am-9:30am Program
DeBoest Lecture Hall at Newfields
4000 N. Michigan Road, Indianapolis

How do we use technology and innovation to solve our biggest health problems? Some of the brightest minds in Indianapolis will share how new innovations are making an impact on local health issues at the third annual Go Red Talks event. Loosely based on the principals of Ted Talks, each speaker will share a thought-provoking message and spark conversations that inspire action.

Admittance is **FREE**, but **space is limited**, so [reserve your seat today](#).
