Indianapolis — The national law firm of [Quarles & Brady LLP](#) today announced that [Christine Hansen](#) has joined the firm's [Indianapolis office](#) as Partner in the [Intellectual Property](#) practice group.

Hansen focuses her practice on patenting complex life science and chemical technologies. She advises clients on patent portfolio strategies, patent term extension applications, patent landscape analyses, due diligence, and freedom-to-operate. She represents clients ranging from Fortune 500 companies to startups and universities.

Prior to joining Quarles & Brady, Hansen was in private practice in Delaware. She has worked as in-house patent counsel at a French pharmaceutical company. Her clients include large European companies, where she bears responsibility for US patents for blockbuster drugs. She received her Bachelor of Arts from Princeton University and her Juris Doctor, cum laude, from The University of Pennsylvania Law School.
