

At United, we're taking the lead in redefining regional travel.

Our new CRJ-550 is the world's first and only 50-seat regional aircraft to offer a first-class cabin as well as best-in-class amenities for all of our customers. Now, you and your travelers can enjoy a truly premium experience on every leg of your journey – even short ones – on routes from Chicago O'Hare, and soon from New York/Newark and Washington Dulles.

As one of our most valued partners, I'd like to invite you to join us at an exclusive event next week to experience the United difference aboard this game-changing aircraft.
