ALERDING CPA GROUP NAMED AS ONE OF THE “BEST PLACES TO WORK” IN INDIANA

(INDIANAPOLIS) – The directors of Alerding CPA Group, an Indianapolis-based certified public accounting firm, are pleased to announce that for the second year in a row it has been named as one of Indiana’s “Best Places to Work”, a statewide program designed to identify, recognize and honor those participating employers with the leading workplace cultures. This 15th annual program was created by the Indiana Chamber of Commerce and Best Companies Group.

Companies from across the state entered the two-part survey process. The first part, worth 25 percent of the total evaluation, reviewed each company’s workplace policies, practices, philosophy, systems and demographics. The second part consisted of an employee survey to measure experiences with their employer, worth approximately 75 percent of the total evaluation. The combined scores determined the top 125 companies and the final rankings, as analyzed by Best Companies Group.

“This is the second year we’ve been selected as a Best Places,” said Mike Staton, Managing Director of Alerding CPA Group. “We are so proud of our staff and want them to know how much we truly appreciate everything they do for our firm,” he added.

The final rankings will be announced at an awards dinner on April 30, 2019, at the Indiana Convention Center in Indianapolis, then published in the May-June issue of the Indiana Chamber’s *BizVoice*® magazine.

“After 14 years of the program, it’s great to see such continued growth and new interest,” offer Indiana Chamber of Commerce President and CEO Kevin Brinegar. “We are encouraged by employers embracing the importance of self-evaluation combined with employer feedback and then utilizing that information to further strengthen their organizations.”
